### Features

Castlewood's stunning character is visually rich with the beautiful knots, mineral streaks and natural splits seen in heirloom hardwood. Heightening its appeal is a very low-gloss finish, which calls to mind vintage European oil-rubbed floors. Part of the Gallery Collection of premium hardwood, Castlewood is hand selected by design experts to bring the natural artistry of hardwood into your home. The clean look and understated finishes let the beauty of the wood shine through for a timeless look that ages gracefully.
