ENGINEERED FOR FUNCTION

Designed to look great and perform even better, PureGrain Flex flooring provides stylish options that fit any budget. Simple, customizable installation and solid durability that stands up to all of life's challenges.

HOW PUREGRAIN FLEX IS MADE

1 WEAR LAYER

Clear wear layer that protects your floor from scratches, spills, and everyday wear and tear.

2 DECOR LAYER

This layer gives the floor its design and appearance, mimicking the look of natural materials like wood.

3 CORE LAYER

A flexible LVT core, that is composed of virgin materials to make impact resistance core.

by  SCS certified.
