Botanic

As a collection Botanic and Jazz were inspired by high end luxury fabrics and wallcoverings. We have seen a resurgence in florals and large-scale botanicals make a comeback in home furnishings. We are excited to introduce Botanic which is a spin on a tropical palm leaf in a modern sophisticated way, adding the fine detailing of a metallic accent overlaid with a shadow effect. Botanic is a stunning VLR in a 55 ounce LCL pattern that boasts 15 trend forward colors and features Anso High Performance Fiber with R2X and Softbac with Lifeguard.
