

COREtec®
the Original

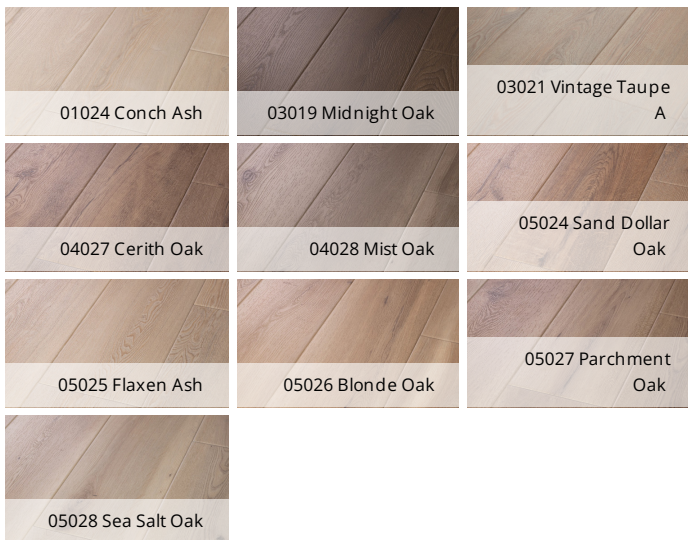

01024 Conch Ash

Temporal

Exceptionally durable and easy to clean, resilient vinyl flooring is a great choice for high-traffic areas. The COREtec 9"x72" elongated plank has chic sophistication with an integrated bevel for realism. It also offers our attached Soft Step pad which is warmer, quieter and softer underfoot made with recycled water bottles, good for the people and the planet. The embossed in register texture adds authenticity and only looks like hardwood.
